

# Clavelina™

كريم مرطب مع زيت الزيتون

Nourishing Cream with Olive Oil, Shea Butter & Vitamin E

## Background

**Clavelina™** is mainly praised for providing a very smooth feeling to the skin, a fresh and pleasant scent and an instant relief for dry skin. All the necessary natural nutrients are presented in one tube that will leave the skin feeling revitalized and nourished all day long.

**Clavelina™** was launched during the Dubai Derma exhibition which was held from 27<sup>th</sup> to 29<sup>th</sup> of March 2012. Although **Clavelina™** is a very new product, we have surprisingly received great reviews from new users who tried our Nourishing cream ranging from dermatologists, doctors, and skincare and beauty shop owners etc. Recently, our nourishing cream has been successfully introduced to the local pharmacies, clinics, and soon to launch to supermarkets to respond high demand of interest from the end-users.

**Clavelina™ Nourishing Cream is made in Spain under the strictest European standards.**

## Product

**Clavelina™ Nourishing Cream** combines the goodness of Olive Oil, Shea Butter and Vitamin E and is specially formulated to provide natural protection to the skin. This extraordinary formula promotes the healing of cracked and severely damaged skin cells; and is rapidly absorbed by the skin providing instant revitalization and nourishment. It is recommended for use at night as it actively restores the skin elasticity and provides long lasting protection and moisture. It is suitable for all skin types and is highly recommended for people with dry or very dry skin.

## Features

- Intensively hydrates and nourishes the skin
- Repairs the damaged and dry skin cells
- Actively restores the skin elasticity
- Long lasting protection and moisture
- Perfect for all skin types, including sensitive skin

# Clavelina™

كريم مرطب مع زيت الزيتون

Nourishing Cream with Olive Oil, Shea Butter & Vitamin E

*"Excellent for hands, feet, and body"*

## Benefits

**Olive Oil:** is very gentle and non-irritating even on the most sensitive of skin. The main benefits are that it does not clog pores, it smoothens skin texture and softens skin due to its intrinsic antioxidant properties, has vitamin E and oleic acid, which are both beneficial to the skin. Olive oil's oleic acid helps to soften the skin.

**Shea Butter:** A well-known moisturizing and lifting ingredient, which helps to penetrate the skin rapidly and effectively delivering skin cells the hydration they need to maintain sustenance.

**Vitamin E:** A powerful anti-oxidant that helps to protect the skin against the abuse of the elements, repairs the skin cells, and improves the elasticity of the skin.
